I talked to Chris and we think Miguel will be able to handle the listening session tonight. Thank you for offering.

Miguel, Tom, and Rita: please let me know if you need me to attend.

Miguel, if you have an extra EPA shirt I can borrow that would be great. Otherwise I would have to go home which would waste a few hours as I live up in northern suburbs.

Thanks,

Dean

I think it goes from 5 pm to 7 pm at the First Baptist Church in EC. Miguel is coming into the office first to get the demo faucet from my desk.

What time does it start? I would have to juggle some things around but could make it if needed. Thanks.

Chicago this evening?

Miguel, I would totally come help with filter demos today in EC, if I wasn't in Flint already. Sorry. Maybe Dean is available to go there with you tonight? He's really great speaking with the public!

Not knowing what to expect in the way of folks asking questions, it wouldn't hurt to have another experienced person there, if Peg could make it but I think she is heading out on travel.

Chicago this evening?

I believe Peg spoke to the event organizer Denise Abdul-Rahman last week about water filters and providing demos on proper use. I think you have the filter fact sheets (English and Spanish versions) we provided at the January 28 meeting (adapted from the Flint filter fact sheet) but I'm attaching in case you don't and need to make copies.
